
Alleviating Global Poverty Role Private Enterprise

the role of business in poverty reduction - and direct responsibility of corporations to alleviating global poverty - as opposed to local poverty - has received increasing attention again (cf. kolk et al., 2006; wilson and wilson, 2006; prahalad, 2005). attention is also accompanied by major controversy: in particular the role of multinational enterprises investing in developing countries has by some been heralded as a positive force ...
