## Almshouse Women Study Two Hundred Twenty Eight

**research notes housing the elderly in nineteenth-century ...** - almshouse accommodation for men and women'.2 this article contributes to that assessment by evaluating the relative contributions of almshouses and workhouses in the county of derbyshire for residents aged 60 and upwards based on an analysis of the **statistical association. - amstat.tandfonline** - american statistical association. new series, no. 31. september, 1895. almshouse women. a study of two hundred and twenty-eightwomen in the city and county almshouse of san francisco. **the varied impact of voluntary charity: oxford almshouses ...** - • almshouse living has enjoyed a broadly positive image with historians and the public alike. • the survival of attractive ranges of buildings, bearing tablets to commemorate founders' virtues, has ensured that the architectural features of almshouses provided an early focus for study.i • the residential experiences of occupants in the past have been less well surveyed, mainly because ... **a 21st century eco-almshouse: st. john's almshouses, lichfield** - the st. john's almshouse project comprises 18 new flats within two brand new, passivhaus certified buildings totalling approximately 1100sq.m gia and set within an extensive landscaping scheme in the grounds of the existing grade i listed almshouses in lichfield. **troublesome women - muse.jhu** - women, it is necessary to look at the prevailing attitudes of antebellum society concerning women. to clarify, the baseline against which the female criminals of this study worked centers on the social expectations set forth for white middle-to-upper-class women. some of these characteristics, particularly those noted by barbara welter, include purity, piety, submission, and domesticity ... **women and work in the philadelphia almshouse, 1790-1840** - women and work in the philadelphia almshouse, 1790-1840 monique bourque journal of the early republic, volume 32, number 3, fall 2012, pp. 383-413 **almshouses in england and the dutch republic circa 1350 ...** - almshouse in england was unlikely to differ much from an almshouse in the dutch republic with regards to its essential characteristics , which suggests that the charitable landscape in both countries had more in common than accepted orthodoxy suggests. **almshouse versus workhouse: residential welfare in 18th ...** - a comparison of the two types of establishment, almshouses and workhouses, there-fore seems like a vast undertaking not to be accomplished in the space of a single article; here i will be making some general claims and supporting them with a case study drawn from one provincial town. essentially i want to argue that, on the basis of the oxford evidence, the experiences of almshouse inmates ...
